AMENDMENT

This amendment responds to the Office Action mailed June 5, 2002 (Paper No. 8), sent in connection with the above-referenced application. This amendment is being timely filed in view of the accompanying Petition for Three-Month Extension of Time, and associated fee, which extends the time for response to the Office Action to and through December 5, 2002.

Kindly amend the application as follows:

In the Claims:

Please amend claims 1-19, 22 and 32-34, as set forth below. A "marked-up" copy of the claims indicating the changes is attached hereto.

- 1. (Amended) A method of inducing proliferation of isolated human marrow stromal cells in vitro, the method comprising
- (1) providing the isolated human marrow stromal cells and a growth medium to a growth surface such that the initial density of the isolated human marrow stromal cells is less than about 50 cells per square centimeter of growth surface, and
